

## **NO Visitation During Flu Activity**

**Posted:** March 9, 2020

We are experiencing influenza activity in the facility on the 2<sup>nd</sup> floor. For the safety of our patients, staff and volunteers, Fairview is putting visiting restrictions in place, and we are asking for your help. Please refrain from visiting for the next 72 hours.

If you would like an update on your family member at any time please call the facility and ask to speak to the Nursing Supervisor, or an Administrative Nurse.

### **OTHER VISITATION**

- Only visit with the person you are here to see.
- People going to different rooms and areas of the building can spread germs that cause illness.
- Use hand sanitizer or wash your hands before and after your visit.
- If the person you are visiting is sick, please check in at the nurse's station before entering the room.
- If you are sick, please do not visit
- People at high risk of severe illness if they become sick with influenza/pneumonia/respiratory illness should consider visiting at another time.
- People at high risk include those with chronic medical conditions, young children, and adults over the age of 65.
